About Thistle Waste Removals

Thistle Waste Removals is your dedicated solution for responsible waste management in Perth's Northern suburbs. Our mission is to transform waste removal into a sustainable practice that benefits both our local Perth community and the environment.

Waste removal shouldn't be a complicated task. We take the hassle out of your spring clean, offering reliable advice, and prompt removal so you can declutter your home or business without any unneeded stress.

Ridding your home of waste shouldn't be a stressful task. That's where we come in.

Our People

We provide a good culture for staff, with flexible arrangements and acknowledgment of good work. This creates a better experience for our customers.

Environmental Focus

Whether it be green waste, general waste, or e-waste, our team strives to dispose of your waste in the most eco-friendly way possible.

Our Capabilities

We aim to provide a complete waste removal solution to customers. If you need it gone, our team will make it happen, creating a stress-free service.

Safety First

The safety of our staff and our customers is vitally important to our business. We always ensure all waste removal services are completed safely.

Commercial Waste Removal

Thistle Waste Removals offers comprehensive commercial waste removal services tailored to meet the diverse needs of businesses in Perth. Our team is dedicated to providing efficient and environmentally responsible waste management solutions.

- Tailored waste management plans for different business types.
- Regularly scheduled waste collection services.
- Secure document destruction and disposal services.
- Recycling services for paper, plastics, metals, and glass.
- Waste audit and reporting to help businesses track their waste management.
- On-demand waste collection services for irregular waste production.
- Consultation on waste reduction and sustainability practices.

Residential Waste Removal

At Thistle Waste Removals, we understand the importance of maintaining a clean and safe home environment. Our residential waste removal service in Perth ensures that household waste is managed efficiently and responsibly.

- Recycling services for household items such as plastics, paper, and glass.
- Special collections for oversized items or excess waste. Our team complete all the heavy lifting so you don't need to.
- Yard waste removal, including leaves, branches, and garden debris.
- Seasonal waste removal services, e.g., for Christmas or spring cleaning.
- E-waste collection for electronic items.
- Customised waste pickup schedules based on household needs.
- Environmentally friendly disposal and recycling practices.

Office Waste Removal

Our office waste removal service at Thistle Waste Removals ensures that workplaces in Perth can maintain a clean and productive environment. We offer tailored solutions to manage office waste efficiently and sustainably.

- Regular waste collection schedules suited to office hours.
- Secure shredding and disposal of confidential documents.
- Electronic waste removal for office equipment.
- Special collections for office cleanouts or moves.
- Customised waste management plans for different office sizes.
- Waste audits and reports for environmental compliance.
- On-demand collections for unexpected waste generation.

Mattress Removal

Thistle Waste Removals provides a specialised mattress removal service in Perth, ensuring that your old mattresses are disposed of responsibly and efficiently. We cater to both residential and commercial clients, offering convenient and environmentally friendly solutions.

- Mattress collection from homes, hotels, and other accommodations.
- Recycling of mattress components where possible, including metal springs and foam.
- Compliance with local regulations for mattress disposal.
- Convenient scheduling and fast removal services.
- Affordable pricing and transparent quotes.
- Services tailored to the volume of mattresses for removal.

White Goods Removal

Our white goods removal service at Thistle Waste Removals is designed to take the hassle out of disposing of large household appliances. We cater to both residential and commercial clients in Perth, providing safe and eco-friendly disposal of white goods.

- Collection and disposal of refrigerators, washers, dryers, and other large appliances.
- Environmentally responsible recycling of metal and electronic components.
- Safe handling and removal of appliances, including heavy lifting.
- Compliance with regulations for the disposal of white goods.
- Convenient scheduling to suit customer needs.
- Services for both individual and bulk white goods removal.
- Transparent pricing with no hidden fees.

Junk & Rubbish Removal

Thistle Waste Removals offers a flexible and efficient general junk and rubbish removal service in Perth. Our team can handle all types of non-hazardous waste, ensuring a hassle-free experience for our local Perth clients.

- Removal of household clutter, old furniture, and miscellaneous junk.
- On-demand services for both small and large quantities of rubbish.
- Yard waste removal including branches, leaves, and garden debris.
- Post-event clean-up services for parties, festivals, or community events.
- Debris removal for renovation or construction projects.
- Safe and efficient handling of all types of non-hazardous waste.
- Flexible scheduling options, including weekends and holidays.
- Customised solutions for unique waste removal requirements.

Tyre Removal

Our tyre removal service at Thistle Waste Removals is dedicated to the safe and eco-friendly disposal of used tyres in Perth. We handle tyres from vehicles of all sizes, ensuring that they are recycled or disposed of in compliance with environmental regulations.

- Collection of tyres from homes, garages, and commercial premises.
- Recycling of tyres into materials for construction, road surfaces, or other applications.
- Compliance with local and national regulations for tyre disposal.
- Services for both small and large-scale tyre removal projects.
- Safe and efficient handling and transportation of tyres.

E-Waste Removal

Thistle Waste Removals specialises in the responsible disposal of electronic waste in Perth. Our e-waste removal service ensures that electronic items are recycled or disposed of safely, reducing the environmental impact.

- Collection of computers, monitors, printers, and other electronic devices.
- Recycling of electronic components in an environmentally responsible manner.
- Secure data destruction for computers and storage devices.
- Services for both residential and commercial clients.
- On-site collection and removal of e-waste.
- Transparent and competitive pricing.
- Regular e-waste collection schedules for businesses.
- Commitment to reducing landfill and environmental impact of e-waste.

Garden Waste Removal

At Thistle Waste Removals, we provide an efficient green waste removal service in Perth, helping you to keep your garden and outdoor spaces clean and tidy. Our team ensures that all green waste is disposed of in an eco-friendly manner.

- Removal of garden waste including branches, leaves, and grass clippings.
- Recycling of green waste into compost or mulch.
- Services for both small residential gardens and large commercial landscapes.
- Seasonal clean-up services for garden maintenance.
- Regular collection schedules for ongoing garden waste production.
- On-demand services for larger garden clean-ups.
- Safe and efficient handling of all types of green waste.
